

Mohammad Mozafar, MD

Professor Of General Surgeon and Vascular Surgeon

Address: Shahid Beheshti University of Medical Sciences, Shohada Medical Center, Tehran, 19395-4719, Iran

Tel (P): ++98-91-210 96424

Tel (O): ++98-21-887 86360

Fax: ++98-21-227 19014

E-mail: mohamad_mozafar@yahoo.com

Date of Birth: 26 June 1962 ,YAZD,IRAN

Journal Papers;

1. Afsharfard A., Mozafar M.: Clinical and laboratory criteria compared to intraoperative cholangiography for detecting choleduchal stones at cholecystectomy. *Pajohesh Dar Pezeshki*. 1999;(4):147-153.
2. Mozafar M., Tofigh A.: Superior mesenteric artery aneurysm presented with massive GI bleeding successful repair, case report. *Pajohesh Dar Pezeshki*. 2004;(28):75-77.
3. Afsharfard A., Mozafar M., Ghavidel A.: Results and complications of arteriovenous fistula at radio-cephalic & wrist in CRF patients. *Pajohandeh*. 1991;(23):243-244.
4. Afsharfard A., Mozafar M.: Results of surgical treatment of morbid obesity. *Zanjan University Medical journal*. 1999;(26):37-42.
5. Afsharfard A., Mozafar M., Mahmoodloo S.: Correlation between tumor size and lymph node metastasis in breast cancer. *Iranian Journal of Surgery*. 2002;(26):39-42.
6. Afsharfard A, Mozafar M., Fadaee A.: Results of femoral artery ligation in patients with infected false aneurysm. *Iranian Journal of Surgery*. 2003;(30):52-55.
7. Mozafar M., Ghavidel A.: Results of bilateral Inguinal Hernia Repair with GPRVS in 45 patients. *Iranian Journal of Surgery*. 2001;(22):41-45.
8. Mozafar M., Malekpoor F.: Embolectomy for acute limb Ischemia. *Medical Journal of Islamic Republic of Iran*. 2004;18 (2):131-134.
9. Afsharfard A., Mozafar M, Fadaee A.: Results of femoral artery ligation in 65 patients with infected pseudo-aneurysm due to IV drug abuse. *Medical Journal of Islamic Republic of Iran*. 2005;18(4):337-340.
10. Mozafar M., Tofigh A.: Assessment of Notarase posterior mesh rectopexy in treatment of rectal prolapse: 10- year's experience. *Medical Journal of Islamic Republic of Iran*. 2005;19(1):37-40.
11. Mozafar M., Firozee A. : Acute Mesenteric Ischemia, Etiology, Diagnosis, and Treatment. *Iranian Journal of Surgery* 2006;15(2):35-40.

16. Mozafar M. : McVay and Darn Repair in Inguinal Hernia Repair; Abdominal Wall. Surgery Congress, Tehran, December 19-20, 2007.
17. Mozafar M. : Nipple Discharge, Diagnosis and Treatment. Breast Seminar, Tehran, January, 14-16, 2008
18. Mozafar M MD.Updates of Gastric Cancer Surgery,Iranian Assosiation of Surgeons May 2008 Tehran
19. Mozafar M; Abdominal Trauma,4th international congress on health medication manegment I in disaster-15-17Dec.2009 Tehran
- 20.Mozafar M. MD. Nipple Discharge.Seminar of Breast Disease.2009 Tehran
- 21,Incertion of portocath for Chemotherapy ,How to Do .Tehran 2007.3th International congress of Breast disease.
- 22.Role of laser in varices,International congress of varices ,2009 jan 2th

Supervision Of Doctoral Dissertations:

1. Results of the treatment of perforated peptic ulcer disease at Shohada Hospital; 10 years' experience. 1999.
2. Cosmetic results of subcutaneous closure after breast biopsy. 2000.
3. Results of ETS and STS anastomosis of AVF at snuff box area. 2001.
4. Correlation between tumor size and lymph nodes in breast cancer. 2001.
5. Results of efficacy of AVF at radio-cephalic and snuff box area. 2001.
6. Acute mesenteric Ischemia at Shohada Hospital: 5 years' experience. 2002.
7. Results of lower limb embolectomy for acute limb Ischemia at Shohada Hospital. 2003.
8. Results of GI anastomosis at Shohada Hospital: 10 years' experience. 2003.
9. Results of femoral artery ligation in infected false aneurysm. 2004.
10. Incidence of *H. pylori* infection in gastric cancer patients at Shohada Hospital. 2004.
11. Results of a new kind of chest tube with catheter and its complications. 2005.
12. Ileoprost treatment for Buerger's disease at Shohada Hospital. 2006.
13. Results of preoperative plasma phoresis in Myasthenia Gravis: 10 years' experience. 2006.
14. External diameter of internal carotid: pre- and postoperative measurement at Shohada Hospital: 4 years' experience. 2006.
15. Results of infra-inguinal bypass grafts: patency rates: 10 years' experience. 2006.
16. Leak incidence in Low anterior Resection with or without Colostomy in Shohada Hospital, A 5 year Study. 2001-2006.
17. Different kinds of cigarettes and duration of smoking in patients with Buerger's disease 2005-2006
18. Results of Thymectomy after Plasmaphoresis in Patients with Myasthenia Gravis.2005-2006
19. Pneumoperitoneum following laparotomy ,How long would it take to resolve.2006
20. Incidence of Telangectasia in nurses who are working in Shohada Hospital 2006 -2007
21. Is there any relationship between type of cigarette and Buerger's disease in Shohada hospital2007-2008
22. Outcome of Transthoracic Esophagectomy and trans hiatal Esophagectomy in the treatment of Esophageal cancer.2007-2008
23. Cold sensitivity and Seasonal variation in Buerger's disease 2008-2009
24. Incidence of Leak in Low anterior Resection in patients with Rectosigmoidectomy with and without Colostomy.2007-2008
25. Effectiveness and complications of vascular graft e-PTFE and Polyurethane in patients with chronic hemodialysis.2007-2008
26. Long term results of systemic anticoagulation and thrombectomy in lower extremity DVT in2007-2008
27. Results of Intraluminal proximal control in ruptured AAA.2007
28. Correlation Between Cigarette mark and Buerger's Disease Patients, A 2 year Study. 2004-2006
29. Comparative results of MRCP and IOC in patients with biliary stone ,2018
30. Association of clinical symptoms in patients (and varicose grade) with risk factors and sonographic findings , 2020
31. Outcome and complications of tunnel cuff catheter under fluoroscopy guide and without ultrasonography in shohada –e-Tajrish Hospital in 2018
32. Diagnostic value of leukocytosis ,shift to the left ,and ABG results in diagnosis of strangulated cases with incarcerated inguinal hernia,2021
33. Correlation between culture of gallbladder content and culture of stone nidus, our two year experience , 2008
34. Evaluation of effectiveness of clopidogrel in patency rate of permanent cuffed catheters ,three year experience,2016

35. Comparison the efficacy and short- term side effects of injection of two sclerosing agents Trombovar and Polidecanol in women with telangectasia and reticular vein without saphenofemoral junction insufficiency attending to Shohada_e_Tajrish Hospital 2010-1012
36. Efficacy and side effects of endovenous laser treatment for uncomplicated varicose veins:A randomized comparative study,2014
37. Evaluation of Her2/Neu oncogene in patients with colorectal cancer and association with stage at diagnosis and initial serum level and changes of tumor marker CEA, 2021 Comparison of Ct scan and intraoperative findings in traumatic patients attending to Shohada- e-Tajrish Hospital ,2020
38. Study on the time interval between placement of autogenous arteriovenous fistula as the preferred vascular access and hemodialysis
39. Evaluation of the diagnostic accuracy of the Wells rules,with and without D-Dimer testing in the diagnosis of acute lower limb DVT,2012

Current Researches:

1. Proximal control of Aorta in ruptured Aortic Aneurysm, An alternative technique.
2. Results of culture of Bile and stone nidus in Cholecystectomies due to Gall Stone.
3. Role of closed suction drain after mesh repair in Inguinal Hernia repair
4. Results of MRM and breast preserving surgery in patients with breast cancer.
5. Effect of Aspirin in patency of permcath of Hemodialysis patients.
