➤ Education

Farhang Elementary School	6 th Grade Certificate	1941-1947
Sadi High School	12 th Grade Diploma	1947-1951
College	Diploma	1951-1952
Medical Doctor (MD)	Esfahan Medical School	1952-1957
Internship	Esfahan University Hospital	1956-1957
Residency	Esfahan University Hospital	1957-1960

Graduate Hospital, University of Pennsylvania, USA	1960-1961
Massachusetts General Hospital, Harvard Medical School, Massachusetts, USA	1961-1962
Memorial Hospital, New York City, USA	1962-1965

Fellowship (Thoracic Surgery)

Johns Hopkins Hospital, Baltimore, USA	1971-1972
Frenchay Hospital, Bristol, UK	1972-1973

➤ Appointments

- Professor of Surgery, Esfahan Medical School
- Senior Thoracic Surgeon, Esfahan University Hospital
- Senior Attending Surgeon, Sina General Hospital
- Member of Executive Committee, Iranian Association of Surgeons
- Member of Board of Governor, Iranian Association of Surgeons
- Vice President & Scientific Director, Iranian Association of Surgeons
- Former Member of Iranian Board of Thoracic Surgery
- Former Member of Iranian Board of General Surgery
- President, Esfahan Surgical Society
- Former Member of Executive Committee for Research, Esfahan University
- Founder and Former Executive Director of Private Clinic, Esfahan Medical School
- Associate Member, Iranian Academy of Medical Sciences
- Editor, “Surgical Literature Digest”
- Member of Editorial Board, “Iranian Journal of Surgery”
- Member of Editorial Board, “Archives of Iranian Medicine”
- Member of Editorial Board, “Journal of Research in Medical Science”
- Member of National Committee of Trauma, Ministry of Health and Education
- Vice President of Iranian Chapter, American College of Surgeons
- Present Governor of Iranian Chapter, American College of Surgeons 2008-2010

➤ **Medical Society Membership**

- American College of Surgeons
- American Thoracic Society
- Baltimore Medical and Surgical Society
- The Johns Hopkins Medical and Surgical Association
- New York Academy of Sciences
- Iranian Association of Surgeons
- The International College of Surgeons
- Iranian Academy of Medical Sciences
- International Society of Endoscopic Surgery
- American College of Surgeons (Iranian Iran Chapter)
- Iran Medical Council
- Esfahan Surgical Society

➤ **Published Contribution to Medical and Surgical Literature (In Farsi)**

1. External Cardiac Massage in Cardiac Arrest
Esfahan Medical School Bulletin, 1968, Vol. 3, No. 5
2. Peutz-Jeghers Syndrome
Esfahan Medical School Bulletin, 1968, Vol. 3, No. 5
3. Tetanus Prophylactic Care in Lacerated Wounds
Journal of Health, 1976, No. 2
4. Choice of Treatment in Lower Third Esophageal Cancer
Gastrology Symposium Proceeding, 1976
5. Psychological Care in Surgical Patients
Journal of Esfahan Medical School, 1976
6. Bronchography: A Simplified Technique in Diagnosis of Lung Diseases
Pahlavi Clinical Congress Proceeding, Shiraz, 1977
7. Surgical Treatment of Hydatid Cyst
The 6th Pahlavi Medical Congress Proceeding, Shiraz, 1978
8. How We Approach to Have a Good Medical School
Journal of Esfahan Medical School, 1979
9. Type of Lung Injury Following Inhalation of War Gas
Journal of Esfahan Medical School, 1985
10. Smoking and Lung Cancer
Journal of Esfahan Medical School, 1985, Vol. 5, No. 17
11. Management of Hydatid Cyst of the Liver
Geographic Congress Proceeding, Shiraz 1988
12. Need for Gastric Drainage Procedure after Esophageal Resection and Reconstruction with Gastric Replacement
Ebne Sina Congress Proceeding, Tehran University of Medical Sciences, 1989
13. Middle Lobe Syndrome
Mashhad Medical School Bulletin, the Congress of Tuberculosis and Lung Diseases, 1989
14. Crush Injury and Crush Syndrome
Iranian Journal of Surgery 2004; Vol. 11, No. 30:20-27
15. Esophageal and Tracheal Bronchial Foreign Bodies
Iranian Journal of Surgery 2004; Vol. 12, No. 31:39-45
16. Esophageal Rupture Following Drinking Coca-cola: A Case Report and Literature Review
Iranian Journal of Surgery 2005; Vol. 13, No. 34: 71-76
17. Tracheal Stenosis Treatment: Report of 97 Patients
Department of Thoracic Surgery of Alzahra Hospital of Esfahan
Iranian Journal of Surgery 2005; Vol. 13, No. 35:43-48

18. Effect of Oral Meglumine in Abdominal Adhesion Following Operation
Iranian Journal of Surgery 2006; Vol. 13, No. 3, 4:38-43
19. Frostbite of Lower Extremity (Case Report) and Review of Literatures
Iranian Journal of Surgery 2006; Vol. 14, No. 1:1-11
20. Compartment Syndrome
Iranian Journal of Surgery 2006; Vol. 14, No. 2:1-7
21. Use of Fibrin Glue in Intestinal Anastomosis Following Intestinal Resection: an Experimental Study on Animal Models
Iranian Journal of Surgery 2006; Vol. 14, No. 2:8-12
22. Comparison of Post Thoracotomy Pain in Intracostal and Intercostal Sutures
Iranian Journal of Surgery 2006 Vol. 14, No. 3:54-58
23. Report of a Case of Acute Hemorrhagic Pancreatitis in a 16 Months Old Child
Iranian Journal of Surgery 2006 Vol. 14, No. 3:93-97
24. Effects of Amniotic Fluid in Prevention of Abdominal Adhesion after Laparotomy in Rat Models
Iranian Journal of Surgery 2007 Vol. 15, No. 1:38-43
25. Fasciotomy for Crush Injury; the Results of Two Years Follow-up in Bam Earthquake
Iranian Journal of Surgery 2007 Vol. 15, No. 1:115-121
26. Letter to the Editor - Legal and Islamic Laws Following Surgical Death
Iranian Journal of Surgery 2007 Vol. 15, No. 1:138-144
27. Evaluation of the Postoperative Remission and Complication after Trans-Cervical Thymectomy in Al-Zahra Hospital During 1996 Until 2003
Iranian Journal of Surgery 2007; Vol. 15, No. 2:53-59
28. Treatment Results of Vascular Repair Surgery In Extremities regarding to MESS preoperatively in AL-Zahra Hospital in 1995 till 2005
Iranian Journal of Surgery 2007; Vol. 15, No. 2:28-34

➤ **Published Contribution to Medical and Surgical Literature (In English)**

1. Oesophageal Moniliasis Causing Fistula Formation and Lung Abscess
Thorax 1976; Vol. 31, No. 3:361-364
2. Esophageal Reconstruction for Complete Stenosis due to Dystrophic Epidermolysis Bullosa
Thorax 1977; Vol. 32, No. 6:697-699
3. Massive Pulmonary Hemorrhage: Surgical Approach as Choice of Treatment
Annals of Thoracic Surgery 1978; Vol. 25, No. 1:12-15
4. Massive Pulmonary Hemorrhage
Medical Economics March 1978
5. Outcome and Complications of Limb Vascular Repair Regarding Mess Preoperatively
European Journal of Trauma and Emergency Surgery, May 2007; Vol. 33, Suppl. II
6. Report of a Rare Case of Schwannoma: An Asthma Mimicker Air Ways Tumor
2007 Annual Scientific Meeting American College of Allergy, Asthma & Immunology, Nov. 8-14,
Dallas, TX, USA
7. Fever as the Main Presenting Symptom of Carotid Body Tumor
Archives of Iranian Medicine, March 2008; Vol. 11, No. 2:214-217.

➤ **Contribution to the Medical Literature**

1. Surgical Treatment of Forearm Fracture (Niroumand Technique)
2. Surgical Diseases of the Breast
3. Giant Cell Tumor of Cervical Spine: Review of Literature and Case Reports
4. Surgical Treatment of Hydatid Cyst of the Lung
5. Choriocarcinoma, Lung Metastasis
6. Chest Trauma and Urgent Management
7. Surgical Treatment of Lung Cancer
8. Management of Empyema
9. Diagnosis of Hydatid Cyst of the Kidney: Report of 2 Cases
10. Hydatid Cyst, Geographic Map
11. Effect of Areolar Collapse on Surfactant
12. Pulmonary Hemorrhage in Tuberculosis
13. Esophageal Moniliasis and Pulmonary Fistula
14. Pheochromocytoma of Zuckerkandl Body
15. The Complications of Respiratory System Following Surgery
16. Shock Lung, Treatment
17. Esophageal Moniliasis
18. Choice of Treatment in Massive Pulmonary Hemorrhage
19. Surgical Treatment of Esophageal Stenosis
20. Massive Pulmonary Hemorrhage in Tuberculosis
21. Surgical Treatment of Pulmonary Bleeding
22. Choice of Treatment in Lower Third Esophageal Cancer: Report of 10 Years Experience in Esfahan University Hospital
23. Surgical Management of Splenic Rupture
24. Chest Trauma and Acute Respiratory Distress Syndrome
25. Surgical Nutrition
26. Mediastinal Cyst and Tumors
27. Environmental Pollution and Pulmonary Diseases
28. Prevention of Tetanus in Lacerated Wounds

➤ **Research and Experimental Work**

1. Tetanus type of prevention related to the percentage of accuracy among wounded patient
Supported by Esfahan University Research Center, Grant No. 53009
2. Shock Lung (Experimental Work)
Supported by USA Army Research and Development Command, Johns Hopkins Hospital and Esfahan University Research Center, Grant No. 51013
3. Lung Transplantation (Experimental Work)
Johns Hopkins Hospital and Esfahan University Research Center, Supported by Grant No. 51014
4. Ascharidosis causing intestinal obstruction, predisposing factor and choice of treatment
Supported by Esfahan University Research Center
5. Massive Pulmonary Hemorrhage, Choice of Treatment
Supported by Esfahan University Research Center, Grant No. 36004
6. The Role of Fulltime in the Performance of Medical School Faculties in Different Medical School in Iran
Supported by Esfahan University Research Center, Grant No. 54002
7. Tetanus, Prevention Among Wounded Patients
Supported by Esfahan University Research Center, Grant No. 53009
8. Bronchography: A Simplified Technique
Supported by Esfahan University Research Center, Grant No. 36025
9. Size of Tracheal Relation to the Age and Sex
Supported by Esfahan University Research Center, Grant No. 53011
10. Hydatid Cyst of the Lung Choice of Treatment
Supported by Esfahan University Research Center, Grant No. 36030
11. Role of Bronchography in Early Diagnosis of Lung Cancer in Patients with Positive Sputum Cytology and Negative Chest X Ray
Supported by Esfahan University Research Center, Grant No. 36030
12. Empyema Predisposing Factors and Choice of Treatment
13. Prulant Pericarditis ,Choice of Treatment
14. Choice of Treatment in Lower and Middle Third Esophageal Cancer
15. Psychologic Care in Elective Surgical Patients: Relation between Patient's Believes and Postoperative Comfort
Co-Research Esfahan University Research Center, Pahlavi Medical School
16. Postoperative Pulmonary Complications
17. Etiology of Acute Abdomen
Esfahan University Research Center
18. Infectious Diseases of Esophagus
19. Dystrophic Epidermolysis Bullosa of Esophagus: Choice of Treatment

20. Trauma Patients: Mean Time Reaching to the Emergency Room
Esfahan University Research Center
21. Need for Prophylactic Antibiotic Therapy in Patients having an Operation Less Than 2.5 Hours
22. Hydatid Cyst of the Liver: Choice of Treatment
23. Planning Medical School in Iran
24. Pulmonary Embolism: Treatment with High Dose Heparin
25. Gallstone as a Predisposing Factor in Esfahan Providence
26. An Evaluation of Causes for Virulence of Candida Albicans in the Esophagus
27. High Dose Heparin Therapy for Deep Venous Thrombosis
28. Relation between Cigarette Smoking and Lung Cancer in Esfahan
29. Need for Thoracostomy and Chest Tube Insertion in Hemothorax without Pneumothorax
30. War Gas Inhalation and Lung Injury in War Casualties
31. The Significance of Gastric Drainage Procedure after Esophageal Resection and Reconstruction with Gastric Replacement
32. Hyperthyroidism and Surgical Treatment Role of Limited Remaining of Thyroid Tissue
33. Management of Tracheal Injuries with Nasotracheal Intubation
34. Patient Satisfaction for Type of Care: Hospitals in Iran (National Study)
35. Present Status of Imaging in Iran (National Study)
- 36.
37. The Role of Motorcyclists in Motor Vehicle Accidents
38. Service Render to the 2nd and 3rd Degrees Burn Patients in Different Hospital in Iran
39. Laboratory and Imaging Require for Elective Surgical Patients before Operation (Multicenter Study, Guideline)
40. Role of Prophylactic Antibiotic Therapy in Surgical Patients
41. How Effective the Continuing Medical Education (CME) was in Last Ten Years in Iran to Improve the Care of the Patients
42. Evaluation of 22th Annual Scientific Congress of Iranian Association of Surgeons
43. Evaluation of 26th Annual Scientific Congress of Iranian Association of Surgeons
44. Evaluation of 27th Annual Scientific Congress of Iranian Association of Surgeons
45. Evaluation of 28th Annual Scientific Congress of Iranian Association of Surgeons
46. Evaluation of 29th Annual Scientific Congress of Iranian Association of Surgeons
47. Evaluation of 30th Annual Scientific Congress of Iranian Association of Surgeons

48. How the Surgeons Think about Use of Narcotic in Acute Abdomen Before Making the Diagnosis
49. Frequency of Breast Cancer in Women under 30 Years in Esfahan Providence
50. Effect of Toy Room before Going to Operating Room in Children Who Need an Operation
51. The Role of Information Technology (IT) in Continuing Medical Education
52. Choice of Treatment in Tracheal Stenosis
53. Meglumine in Patients Small Bowel Obstruction due to adhesion
54. Evaluation of Fibrin Glue in Intestinal Anastomosis: An Experimental Study on Animal Models
55. Comparison of Post Thoracotomy Pain after Intracostal and Intercostal Sutures
56. Effects of Amniotic Fluid in Prevention of Abdominal Adhesion after Laparotomy in Rat Models
57. Evaluation of Effectiveness of Fasciotomy in Crush Injuries
58. Legal Responsibility Following Surgical Death in IRAN
Surgical Consent Considering Legal and Islamic Laws in Iran

➤ Lectures Given in Medical Societies

1. Rare Bone Tumors
Adl Surgical Society, Tehran Medical School, Tehran, Iran 1968
2. Maffucci Syndrome
The First Workshop of the Iranian Association of Pathologists, Pahlavi Medical School, Shiraz, Iran, 1968
3. Bone Tumors
The 13th Annual Scientific Meeting of the Iranian Section of International College of Surgeons, Tehran, Iran, 1968
4. Modified Gastric Cooling
Adl Surgical Society, Tehran Medical School, Tehran, Iran, 1968
5. Mesocaval Shunt in Esophageal Varices in Children
Adl Surgical Society, Tehran Medical School, Tehran, Iran, 1968
6. External Cardiac Massage
The First Annual Congress of the Iranian Association of Anesthesiologists, Esfahan Medical School, Esfahan, Iran, 1970
7. Lung Transplantation: An Experimental Work on Baboon
Lung Transplantation Workshop, American College of Surgeons, Washington D.C, April 1971
8. Massive Pulmonary Hemorrhage in the Patients with Tuberculosis
The 17th Annual Scientific Meeting of the Iranian Section of International College of Surgeons, Esfahan, Iran, 1972
9. Esophageal Moniliasis and Pulmonary Abscess
The 4th Annual Meeting of the Iranian Society of Radiologists, Tehran, Iran, 1974
10. Shock Lung
The 2nd Annual Meeting of the Iranian Society of Anesthesiologists, Esfahan Medical School, Esfahan, Iran, 1974
11. Esophageal Moniliasis
The 18th Annual Scientific Meeting of the Iranian Section of International College of Surgeons, Tehran, Iran, 1974
12. Epidermolysis Bullosa, Esophageal Stricture Complete Stenosis, Genetic Factors
Symposium of Dermatology, Esfahan Medical School, Esfahan, Iran, 1975
13. Hydatid Cyst of the Lung
The 9th Scientific Congress of the Near and Middle East, Esfahan Medical School, Esfahan, Iran, 1975
14. Surgical Treatment of the Hydatid Cyst of the Lung
The 8th Scientific Congress, Pahlavi Medical School, Shiraz, Iran, 1976
15. Massive Pulmonary Hemorrhage: Surgical versus Medical Treatment
The 8th Scientific Congress, Pahlavi Medical School, Shiraz, Iran, 1976
16. Respiratory Complications after Surgery

- The 3rd Annual Congress of the Iranian Society of Anesthesiologists, Esfahan Medical School, Esfahan, Iran, 1976
17. Choice of Treatment in Lower Third Esophageal Cancer
The 2nd Congress of Gastroenterology, Esfahan Medical School, Esfahan, Iran, 1976
 18. Choice of Treatment in Hydatid Cyst of the Liver
The 2nd Congress of Gastroenterology, Esfahan Medical School, Esfahan, Iran, 1976
 19. Management of Respiratory Failure
The 4th Annual Congress of the Iranian Society of Anesthesiologists, Esfahan Medical School, Esfahan, Iran 1976
 20. Massive Pulmonary Hemorrhage: Early Diagnosis, Choice of Treatment
The 9th Pahlavi Medical Congress, Shiraz, Iran, 1978
 21. Bronchography: A Simplified Technique
The 9th Pahlavi Medical Congress, Shiraz, Iran, 1978
 22. High Dose Heparin Therapy in Deep Venous Thrombosis
The First Scientific Congress of the Iranian Association of Surgeons, Mosadegh Hospital, Esfahan, Iran, 1984
 23. Hemothorax, Choice of Treatment
The First Scientific Congress of the Iranian Association of Surgeons, Mosadegh Hospital, Esfahan, Iran, 1984
 24. Early Diagnosis of Lung Cancer and Effect on Survival
Symposium of Systemic Effect of Smoking, Esfahan Medical School, Esfahan, Iran, 1984
 25. Inhalation of War Gas and Lung Complications
Esfahan Medical School, Esfahan, Iran, 1984
 26. Surgical Treatment of Hydatid Cyst of the Liver
International Congress of Geographic Medicine, Shiraz, Iran, 1985
 27. Modified Subtotal Thyroidectomy in Hyperthyroidism
Symposium of Thyroid and Parathyroid, Tabriz Medical School, Tabriz, Iran, 1985
 28. Choice of Treatment in Hydatid Cyst of the Liver
Hydatid Cyst Seminar and Post Graduate Course, Kashan Medical School, Kashan, Iran, 1986
 29. Middle Lobe Syndrome
Mashhad Medical School, Mashhad, Iran, 1989
 30. Tracheal Injury, Choice of Treatment
The 3rd Abou-ali-sina Medical Congress, Tehran Medical School, Tehran, Iran, 1989
 31. Need for Pyloroplasty or Pyloromyotomy Following Esophageal Resection and Gastric Replacement
Tehran University Medical School, 1990
 32. Early Diagnosis of ARDS
Trauma Congress, Zahedan Medical University, Zahedan, Iran, 1990

33. Preparation of Patient for Operating Room
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1990
34. Intestinal Adhesions Following Laparotomy
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1991
35. Hiatal Hernia
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1992
36. Esophageal Resection through Left Thoracotomy
International Congress of Geographic Medicine, Shiraz Medical University, Shiraz, Iran, 1992
37. Shock and Surgery
International Congress of Geographic Medicine, Shiraz Medical University, Shiraz, Iran, 1992
38. Abdominal Trauma
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1993
39. Trauma
Trauma Congress, Mashhad Medical School, Mashhad, Iran, 1993
40. Extraordinary Location of Hydatid Cyst
Hydatid Cyst Seminar, Esfahan Medical School, Esfahan, Iran, 1993
41. Endoscopic Surgery
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1994
42. Lung Trauma
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1994
43. Tracheobronchial Injuries, Choice of Treatment
Mashhad Surgical Congress, Mashhad Medical School, Mashhad, Iran, 1994
44. Use of Silver Nitrate as Scholocidal Agent in Hydatid Cyst of the Lung
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1995
45. Bronchoscopic Evaluation of Pulmonary Disorders
Pulmonary Diseases Seminar, Esfahan Medical School, Esfahan, Iran, 1995
46. Management of Metastatic Lung Lesions
Pulmonary Disease Seminar, Esfahan Medical School, Esfahan, Iran, 1995
47. Hydatid Disease in Human
Kashan Medical School, Kashan, Iran 1995
48. Surgical Indication for TOS
Esfahan Medical School, Esfahan, Iran, 1995
49. Indications of Peptic Ulcer Disease
Esfahan Medical School, Esfahan, Iran, 1995
50. Management of Multiple Trauma
Trauma Congress, Esfahan Medical School, Esfahan, Iran, 1995
51. What the Surgeon Should Not Do
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1996

52. Deep Venous Thrombosis and Use of Heparin
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1996
53. Benign Disorders of Esophagus
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1996
54. Recurrent Rate in Stage Two Carcinoma of the Breast following Mastectomy and Radiotherapy
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1997
55. Who is Responsible in Surgical Training Program?
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1997
56. Continuing Medical Education: Need and Assessment
Annual Meeting of the Iranian Association of Surgeons, Esfahan, Iran, 1997
57. TOS and Upper Extremity Pain
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1998
58. Multiple Trauma
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1998
59. Malignant Tumors of the Lung
Iranian Society of Respiratory Disease, Esfahan Medical University, Iran, 1998
60. Limited Surgery in Breast Carcinoma
Esfahan Medical School, Esfahan, Iran, 1998
61. Esophageal Perforation
Kermanshah Medical School, Kermanshah, Iran, 1998
62. Minimally Invasive Surgical Approach in Surgery
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1998
63. Advanced Breast Cancer
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1998
64. Chest Trauma
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1998
65. Laparoscopic Surgery in New Millennium
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1999
66. Complications following Thyroidectomy
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1999
67. Breast Cancer
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 1999
68. Choice of Treatment in Breast Cancer
Cancer Institute, Tehran Medical School, Tehran, Iran, 1999
69. Thoracic Tumors
Esfahan Medical School, Esfahan, Iran, 1999
70. How to Approach to the Trauma Patient
Kermanshah Medical School, Kermanshah, Iran, 1999

71. Young Surgeons in Practice
Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2000
72. Approach to Multiple Injured Patients in the Emergency Department
Esfahan Medical School, Esfahan, Iran, 2000
73. Controversy in Breast Cancer
22th Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2000
74. Young Surgeons at Work: Responsibility, Difficulties
22th Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2000
75. Approach to Multiple Injured Patients in the Emergency Department
Esfahan Medical School, January 2000
76. Management of Tracheal Trauma
7th International Congress of the Iranian Society of Otolaryngology & Head & Neck Surgeons,
Tehran, Iran, 2000
77. Hydatid Cyst of the Liver
Kermanshah Medical School, Kermanshah, Iran, 2001
78. How We Can be Prepare for Retirement
24th Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2001
79. Functional Diseases of Esophagus
24th Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2001
80. Imaging and Surgery
24th Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2001
81. Gynecomastia
24th Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2001
82. Laparoscopic Surgery
24th Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2001
83. Breast Mass, Diagnostic Approach
Kasra Hospital, Tehran, Iran, 2001
84. Hydatid Cyst of the Lung
Kasra Hospital, Tehran, Iran, 2001
85. Surgical Diseases of the Liver
Kasra Hospital, Tehran, Iran, 2001
86. Abdominal Trauma
Gilan Medical School, Rasht, Iran, 2001
87. Surgical Diseases of the Lung
Al Zahra Hospital, Esfahan, Iran, 2001
88. Arterial Aneurysm
Al Zahra Hospital, Esfahan, Iran, 2001

89. What's New in Benign Esophageal Diseases?
Mehr Hospital, Tehran, Iran, 2002
90. Functional Disease of Esophagus
Mehr Hospital, Tehran, Iran, 2001
91. Prevention of Vascular Disease of Lower Extremities, Use of Anticoagulant
Al Zahra Hospital, Esfahan, Iran, 2001
92. Trauma in High Risk Patients
26th Annual Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2002
93. Common Surgical Diseases
Esfahan Medical School, Esfahan, Iran, 2002
94. Breast Tumors
14th Annual Congress of Cancer Institute, Tehran, Iran, 2002
95. Trauma
The First Clinical Congress of Preventive Medicine, Shahid Beheshti Medical School, Tehran, Iran, 2002
96. Resuscitation in Multiple Trauma Patients
Day Hospital, Tehran, Iran, 2002
97. What is New in Multiple Trauma Care
Day Hospital, Tehran, Iran, 2002
98. Trauma
Day Hospital, Tehran, Iran, 2002
99. New Developments in Benign Disorders of the Esophagus
Kasra Hospital, Tehran, Iran, 2002
100. Care of Critical Trauma Patients
Al Zahra Hospital, Esfahan, Iran, 2003
101. GERD
8th Clinical Congress of the Iranian Association of Surgeons, Mashhad, Iran, 2003
102. Chest Wall Tumors
Mehr Hospital, Tehran, Iran, 2003
103. The Management of Stomach Cancer
27th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2003
104. Perioperative Pain Management
27th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2003
105. Pitfalls: Surgery, Anesthesiology and Legal Points
27th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran,
106. Complications after Surgery, Postoperative Care
27th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2003

107. Laparoscopic Surgery
27th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2003
108. Surgery and Infections
Abasi Grand Hotel, Esfahan, Iran, 2003
109. How Can I Manage This Patient?
9th Scientific Meeting of the Iranian Association of Surgeons, Sari Medical School, Sari, Iran, 2003
110. Malignant Neoplasms of the Stomach
9th Scientific Meeting of the Iranian Association of Surgeons, Sari Medical School, Sari, Iran, 2003
111. Abdominal Trauma (Approach to the Case)
Al Zahra Hospital, Esfahan, Iran, 2003
112. Visceral Insufficiency (Approach to the Case)
Kasra Hospital, Tehran, Iran, 2004
113. Management of Natural Disaster (Earthquake)
10th Midterm Congress of the Iranian Association of Surgeons, Al Zahra Hospital, Esfahan, Iran, 2004
114. Surgery in Elderly
10th Midterm Congress of the Iranian Association of Surgeons, Al Zahra Hospital, Esfahan, Iran, 2004
115. Use of Anticoagulant Agents in Surgical Patients
10th Midterm Congress of the Iranian Association of Surgeons, Al Zahra Hospital, Esfahan, Iran, 2004
116. Acute Abdominal in Children and Adults
Mehr Hospital, Tehran, Iran, 2004
117. Pitfalls in Vascular Trauma
Kasra Hospital, Tehran, Iran, 2004
118. Earthquake: How to Face It?
Academy of Medical Sciences, Tehran, Iran, 2004
119. Laparoscopy and Surgery
28th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2004
120. Prevention and Management of Natural Disasters (Earthquake)
28th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2004
121. Unexpected Disasters in Operating Room
28th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2004
122. What's New in Abdominal and Chest Trauma
28th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2004
123. Choledocal Stone and Laparoscopy
28th Scientific Congress of the Iranian Association of Surgeons, Tehran, Iran, 2004
124. Preoperative Assessments
